## OFAH Sustaining Membership Program

*“An investment in conservation now...*

*is an investment into the future of Ontario’s fish and wildlife”.*

Attention Industry Professionals and Business Leaders:

Once upon a time, an OFAH member came forward with a history-making idea. He asked, “Why must we travel across the border to go turkey hunting when we could be doing that right here at home?”

Years of OFAH volunteer efforts later, Ontario became home to North America’s greatest conservation success story – the reintroduction of wild turkeys. OFAH members and partners did it.

Now, imagine the great outdoors without these OFAH achievements... walleye and salmon stocking, stream restoration, new ice fishing opportunities, longer bow hunting seasons, Sunday gun hunting, spring and fall wild turkey hunting, elk hunting, and most recently, a returned spring bear hunt. With so many NEW AND IMPROVED outdoor opportunities, it is easy to forget that OFAH conservation work benefits local and national businesses as much as it does Ontario’s 2.5 million anglers and hunters.

In a province where, 25 years ago, a retailer selling a wild turkey hunting call couldn’t be found, the Ontario turkey hunt demonstrates that OFAH initiatives create new outdoor opportunities and drive more business. OFAH Sustaining Memberships help our 82,000 members get the job done for fisheries restoration, habitat improvement, wildlife management, and youth conservation outreach and education.

Why should your business join? As an OFAH Sustaining Member your company will stand out as a shining example of corporate social responsibility. OFAH Sustaining Membership is a proactive investment. It supports loyal anglers and hunters who, through Ontario OUT OF DOORS magazine (delivered 10x a year) and our website, recognize your company as an OFAH friend and loyal partner in conservation.

The OFAH makes sure that your company’s OFAH Sustaining Membership sees a major return on investment with monthly brand name and website recognition in Ontario OUT OF DOORS Magazine and home page exposure on the OFAH website.

OFAH membership pulls together for everyone, including anglers, hunters and business owners alike. But the OFAH cannot do it all on membership dues alone. Please add your company to the growing family of OFAH corporate members.

Yours in Conservation,
