

# OFAH club news

The latest fishing, hunting, and conservation updates for member clubs

Issue #1 | June 2025

## Message from OFAH

Welcome to the inaugural edition of the OFAH Club Newsletter! This newsletter is your direct link to club news, resources, insights and opportunities available through the new Community Engagement Program (CEP), designed specifically to help your OFAH club grow, sustain activities, and increase engagement. We invite you to share your club's successes, conservation projects, and feedback to help us tailor support and inspire others across the province. Staying connected helps build a stronger, more vibrant outdoors community across Ontario, amplifying our collective voice and ensuring a bright future for the next generations.

Note: please be advised that the club portal is still in development. Please continue to renew as you have in the past and we will be providing an update very soon.

### CLUB SPOTLIGHT

#### Community Rallies to Support OFAH Club Hatchery After Roof Collapse

When disaster struck the Sydenham Sportsmen's Association hatchery in Owen Sound this past February, the outdoors community stepped up without hesitation. A heavy snowfall caused the roof of one of the hatchery buildings to collapse, threatening thousands of fish held within.

Thanks to the quick action of dedicated volunteers, 60,000 rainbow trout fingerlings were saved and safely relocated. This April, they were released into the Sydenham River at Harrison Park – an inspiring symbol of resilience and teamwork.

Support didn't stop there. A GoFundMe and live auction campaign launched by local fishing charter captain Glen Worsley quickly surpassed its \$5,000 goal, raising nearly \$13,310 to help the hatchery rebuild. It's a powerful reminder of the strength and solidarity of the outdoors community. We also received \$7500 from the spring Lures N Lines Fishing Derby run by a local tackle shop in Wiarton, owner Kevin Harders.

The OFAH is proud to stand with the Sydenham Sportsmen's Association as they recover and continue protecting and enhancing Ontario's fisheries.

## CLUB SURVEY

Does your club interact with your zone? Click [here](#) or scan the QR code with your phone to answer!

## SURVEY RESULTS

### Club Survey Question Results (from last month) Report on the previous survey question

- April 2025, the club survey was sent to approximately 1400 OFAH club Directors and Officers and received 78 responses
- While 52 clubs indicated they are accepting new members, many also noted they could use assistance in attracting and retaining new members
- Clubs identified Funding, Training, Marketing, and Event Planning as key resources that would help them be more successful
- Specific training or resources that clubs felt were lacking included Network connections (other clubs, individual members, instructors, etc.), Leadership training, and Technology training (such as for the OFAH club portal)

The Community Engagement Program will use the feedback from this survey to prioritize efforts that will help support clubs going forward.

## CLUB SPOTLIGHT

This year, the 107 Club proudly marks its 75th anniversary—a milestone that honors generations of camaraderie, conservation, and a shared passion for hunting and fishing in Northern Ontario. Since its founding in 1949, the club has thrived in a cherished wilderness setting, fostering deep bonds among members and a strong commitment to sustainable outdoor practices. As longstanding members of the OFAH, we are proud to support the Federation's mission and contribute to the preservation of Ontario's natural heritage.

### **OFAH STREAM**

Did you know that as an OFAH Member you have access to [OFAH Stream](#)? It is an on-demand video library featuring the best in outdoors content from trusted professionals. Simply log in to your member account and enjoy hours of fishing hunting and outdoor video!

The screenshot shows the OFAH Stream website interface. At the top, there's a navigation bar with the OFAH Membership logo, a search bar, and links for Hunt, Fish, Conserve, Home, and a shopping cart. The main area features a large banner with the text "Welcome to OFAH Stream" and a description of the on-demand video library. Below the banner is a "Channel" section with eight categories: Angler & Hunter Television, Bring Back the Salmon, Community Hatchery Program, Fish Along with the OFAH, Inside the OFAH, Invasive Species Awareness Program, OFAH Heritage Centre, and Ontario OUT of DOORS Magazine. Under "Angler & Hunter Television", there are four video thumbnails for episodes: "Episode 1: Mayor of Mermaid Park" (2025), "Episode 2: Grilled spring bear" (2025), "Episode 3: Gear winter smokies" (2025), and "Episode 4: Slug gun deer" (2025). Each thumbnail includes a "WATCH NOW" button and a play icon. Under "Ontario OUT of DOORS Magazine", there are four video thumbnails: "The short-wheee call" (2025), "Making the right moose sounds" (2025), "Making doe bags" (2025), and "Calling bears" (2025). Each thumbnail includes a "WATCH NOW" button and a play icon. A "Show All" link is located at the top right of each video grid.

### **CALL FOR CLUB INPUT**
